

Design Proposal

- 1) *Title page* - project title, the words "Project Proposal", names, date, group number
- 2) *Table of Contents*, with page numbers
- 3) *Introduction*
- 4) *Problem Analysis*
- 5) *Requirements Specification*
- 6) *Preliminary Design*. Include a block diagram - the more detailed the better. This will also help with the scheduling and dividing the tasks among the group members.
- 7) *Preliminary Schedule* (Gantt chart)
- 8) *Conclusion* – summarize why this will be a great senior project
- 9) *References* – any references used in proposal development
